NEWS FROM THE PAUL & CAROL DAVID YMCA OF JACKSON TOWNSHIP

COMMUNITY SPIRIT, A GIFT THAT KEEPS ON GIVING!

In addition to our Strong Kids Campaign and our financial assistance program, we sponsor a Giving Tree at Christmas time. Thanks to you, we've had a wonderful and generous response over the years and this past Christmas we received a very special thank-you and would like to share it with our YMCA Community!

"The gifts that were provided to my children and myself were wonderful and I was stunned at how generous they were. What I thought was going to be one of the worst Christmas mornings that my children would remember turned into something completely the opposite. Both my children were all smiles as they opened their gifts; it was truly amazing.

My son immediately filled out his Bible on the inside and wrote that it was from the David YMCA. He then said to me "Dad, I will never forget what they did for us". Since then, he has gone to give blood at blood drives and volunteer for community service projects around the area.

Your generosity did so much more than just give my children gifts for Christmas. It reminded my family what Christmas is really about. They now do all they can to help people who are less fortunate and they still talk about the gifts from the David YMCA.

Being a Police Officer, I almost always see the worst in human nature, but to be honest, this experience reminded me why I chose this profession. I cannot say thank-you enough to you and your organization. You not only changed our Christmas morning, you changed our lives. My family and I will be forever grateful for what you did for us.

Forever Thankful,
(A YMCA Member)"
