

GIVE FOR A BETTER US

Every day, the Paul and Carol David YMCA (Jackson Township) gives our community the support it needs to learn, grow and thrive.

From advocacy to affordable programs, disease prevention to athletics, soccer to dance classes, everything we do helps strengthen our neighborhood and the people who live here.

For a better you. For a better community. For a better country.

GETTING BETTER EVERY DAY

After 3 years of marriage, my life took a turn in a direction I never imagined. My husband walked away from our daughter and me and left us with substantial debt. Forced into bankruptcy and struggling to pay bills, the Y has provided welcome stability and stress release in our lives. My daughter suffers from chronic asthma and was in an auto accident a year ago, which left her in constant pain in her neck and shoulders. The Y has provided a place where both of us can become stronger, get healthier and build friendships.

The Y.™ For a better us.™

Healthy Living

We help people and families build and maintain healthy habits for spirit, mind and body in their everyday lives. By helping kids, adults, families and seniors from all walks of life improve their health and well-being, we build a stronger community.

Social Responsibility

With our doors open to all, we bring together people from all backgrounds, and support those who need us most. We take on the most urgent needs in our community and inspire a spirit of service in return. Our members, volunteers, supporters and staff demonstrate the power of what we can achieve by giving back together.

Youth Development

All kids deserve the opportunity to discover who they are and what they can achieve, under the guidance of caring adults who believe in their potential. We see every interaction with young people as an opportunity for learning and development - all grounded in the Y's character values.
