## 6 Reasons Why You Should Work for the YMCA

1

### **The Y is a cause-driven organization.**

Why work at a gym when you can work for a CAUSE? When you work at the Y, you're not just checking in members or teaching classes, you are a part of a bigger cause to strengthen community.

2

### **Work for a place that helps you get healthy.**

We are focused on helping Stark County get healthy, and that starts with all of our employees! We want our employees to feel happy and healthy, so we provide free YMCA memberships to staff and their families.

3

### **Helping others will improve your quality of life.**

Studies show giving back to others not only helps you feel better, but it also gives you greater self-esteem, stronger friendships, and a sense of belonging. Helping others is a part of your daily life when you work at the Y.

4

### **The Y is one of the most respected non-profits in the world.**

The YMCA has a presence in 125 countries worldwide. Work for an organization that is nationally and globally acclaimed for its work in youth development, healthy living, and social responsibility.

5

### **Work with passionate people like you.**

Our staff are committed to strengthening our community by providing great programs that support mind, body and soul. If you want to be a part of a team of like-minded passionate people, then the Y is the place for you.

6

### **It's fun!**

Working at the Y is FUN! We guarantee you will have a blast working with youth, our members and staff team. There's something new and exciting happening every day at the Y.
