ANNUAL SUPPORT CAMPAIGN
Through our Annual Campaign, your financial contribution provides financial assistance for youth and families so they may participate at the YMCA. The Annual Campaign provides financial assistance for YMCA memberships and programs for activities such as child care, youth sports, swim lessons, and camping. Over 12,000 youth and families in Stark County were helped last year through this campaign. Annually, the Y is working to raise over $600,000 to meet the needs for youth and families whose lives can be enriched with what our YMCA offers. Please give generously. Contribution forms are at the front desk or visit our online giving at www.ymcastark.org/give. Thank you for your help as we strengthen the foundations of our community by focusing on Youth Development, Healthy Living and Social Responsibility.
