KEEPING YOU **INFORMED**

We hope this message finds you safe and healthy! We wanted to provide an update on our programs and services. **First we want to share that we plan to resume classes and complete the remainder of the current session as soon as we are able to return**. We will follow up with additional information at that time.

We now have community resources available on our website and continue to add links everyday. **Check out the links at the bottom of the page!**

COMMUNITY RESOURCES

Our staff is in contact with community leaders and other community organizations to link us to these resources. We have food assistance, mental health services, family resources and educational activities listed. Check back often, we add new resources daily.

VIRTUAL CLASSES

We have Y360 and LES MILLS virtual classes available for you to continue your workouts. **Stay tuned as we add virtual classes led by our staff!**

DONATE TODAY

We know the need will be even greater at the Y, when our day to day returns to normal. With that in mind please consider a donation to the Y today so we can continue to serve the community needs and impact lives.

COVID-19 INFORMATION

We have listed information about COVID-19 as well as some links where you can get additional information.

PANDEMIC CHILD CARE CENTERS

We are currently working with local health care professionals as well as the Ohio Department of Job and Family Services on setting up child care centers for first responders. This will provide a critical need for the community. Our plan is to operate up to three centers throughout our community in the next 10 days. We will keep the community updated as we progress with opening these centers.
