

FOREVER LEARNING.

YMCA OF CENTRAL STARK COUNTY SCHOLASTIC SUPPORT CENTERS

The YMCA Scholastic Support Centers are a place where children in grades K-5 can go to participate in their assigned virtual learning while being supported by caring adults. Students will be guided to complete their online learning for the day as well as receive enrichment through activities that build character, arts and creativity, and gross motor skills.

Each center is staffed by YMCA Program Directors and counselors who are trained to assist your child with their remote learning and schoolwork. Our spaces are designed to comply with state and local guidelines for safety, cleanliness and social distancing. Wi-Fi is provided at every location to support video chats, streaming media and other online school demands. Each student will need to bring a device, headphones and appropriate school supplies. Four locations will be available and other locations will be evaluated based on future need.
