### \*\*Ohio's return-to-play law goes into effect on April 26th, 2013\*\*

## Ohio's Return-to-Play Law: What a Parent/Guardian Needs to Know – <u>Youth Sports Organizations</u>

# The state of the s

### For athletes participating in youth sports organizations (non-school sports):

- **1.** Starting April 26<sup>th</sup>, 2013, parents and athletes are required to receive a concussion information sheet annually for each sport.
- **2.** Coaches, referees, or officials must **remove an athlete from play** if the athlete is exhibiting the signs and symptoms of a concussion during practice or a game. These include:
  - Appears dazed or stunned.
  - Is confused about assignment or position.
  - Forgets plays.
  - Is unsure of game, score or opponent.
  - Moves clumsily.
  - Answers questions slowly.
  - Loses consciousness (even briefly).
  - Shows behavior or personality changes (irritability, sadness, nervousness, feeling more emotional).
  - Can't recall events before or after hit or fall.

- Any headache or "pressure" in head. (How badly it hurts does not matter.)
- Nausea or vomiting.
- Balance problems or dizziness.
- Double or blurry vision.
- Sensitivity to light and/or noise
- Feeling sluggish, hazy, foggy or groggy.
- Concentration or memory problems.
- Confusion
- Does not "feel right."
- Trouble falling asleep.
- Sleeping more or less than usual.
- **3.** The athlete <u>cannot</u> return to play on the same day that the player is removed.
- **4.** The athlete <u>is not permitted</u> to return to play until they have been assessed and receive written clearance by a physician (MD or DO) or by any other licensed health care provider approved by the youth sports organization.

**PLEASE NOTE:** It is important to review your organization's policy regarding which health care providers are authorized to clear an athlete to return to play.
